The town elections in New York show The town elections in New York show one Union gain of 25 towns out of 377.

— Utica, New York, the home of Governor Segmour, fine elected Theodore S. Faxton, Union, Mayor, by 30 majority, Last year the Democratic candidate had about 300 majority.

— At the recent Copperhead convention in Connecticut the delegates voted by fallot for their Gubernatorial candidate, and among the he had declined their nomination for the Presidency. Sam Cox, who is an apport with Little Mase, and may be said, without any cargacration, to be his man Priday—and he certainly is his man Saturday and Sanday, for he always spends those with him—pronounces it a lie manufactured out of the whole cloth.

— A Washington correspondent relates the following incident of Fernando Wood: "Fernando Wood came down to the House a few days since in a 'colored' car. A friend who was in the car says that there were but two white passengers in the car, and Fernando was one of them. He went deliberately into the car, and while there expressed his contempt for those colorphobiats who are LI O IL Raircad Commissioner. Members of both Houses of the Legislature, with various county and town officers, are also to be voted for.
